

IS IT CORN BREAD, OR IS IT CAKE?
IT'S CORN CAKE!
 SO GOOD YOU'LL SWEAR ITS CAKE!

Single Portion - \$5 Full Pan - \$60

We launched "It's Corn Cake" in April 2011 from our own family corn bread recipe. Using the finest ingredients we created a new look, texture, added sweetness, and topped it all with a thick butter topping, thus the Corn Cake was born! Many customers become addicted to our Corn Cake after the first bite. You can indulge in Corn Cake with a meal, bring to a party or event, or just enjoy with a cup of coffee in the morning! You will find yourself ordering this delicious corn bread again and again!
